Back to School

Open Arms is preparing to launch our third phase of our start up. We will begin our Before and After School program on August 16th. We will be offering transportation to and from a variety of schools including; Sioux Falls Lutheran, Oscar Howe, Pettigrew, Discovery, JFK, and possibly Hayward. We will also provide "out of school" care during parent-teacher conferences, teacher in-service days, and holiday vacations. If you know someone that would benefit from our services please direct them to our office for a tour! Space is limited.

It's hard to believe that I have officially been your Director for a full year on August 3rd! How time has flown! Have you checked out our staff bulletin board? It's growing just like our new grass out front! I would encourage you to pass on the word that we are still looking for good staff with CDA's or Early Childhood degrees. If they have other types of degrees with 2 years experience in a Center or Preschool that qualifies too. Job applications and descriptions are available in the office.

Regular kitchen volunteer. Hours: 11am-2pm daily. Duties: helping to get meals out to classrooms, help with lunch clean up, running dishwasher, sweeping, mopping, help with snack prep. If you are available and would like to tithe some time to our Center please contact the office!

We now have eight rooms operating! We currently have 7 babies in Swaddler A, 4 babies in Swaddler B, Waddlers have 5 kiddos, Toddler A has 5, Toddler B has 5, Adventurers 3A has 10, Adventurers 4A has 13, and SonShiners Summer Camp is ending the summer at 17. We still have babies who are not born yet on our enrollment, as well as those who have been born but are out on maternity preparing for their start here at the Center, and of course, we do not have a clear picture yet of our Before and After program enrollment.

Tending His Lambs,
Stacy Maier—Director
