Stop in to tour
our building and
see what's new!

What's New?

- Tours for families and prospective employees are ongoing events these days. We have had much interest generated by our sign out front of the church. We are excitedly anticipating the response we will get from our first professional advertising postcard that hit mailboxes January 25th. Maybe you've received one in YOUR mailbox; if you did, I would encourage you to pass the postcard on to a friend or neighbor and extend out our hand of ministry. We mailed to families with children ages 0—5 in the 57106, 57107, and 57064 zip codes.

- Interviews for Lead Teachers, Aides, and a cook began the last week of January and continues on through these first few weeks of February. Please pray for our applicants/new employees. Did any of you ever believe this day would come when we were finally ready for teachers? God has blessed this project from the start and it is such a wonderful feeling to experience the abundance of that blessing!

- Cabinets and counter tops are being set in place in the kitchen, classrooms, and bathrooms. Tile is laid in the kitchen and bathrooms and matches the tile in the vestibule of the church. The grid for the drop ceiling is ready and waiting for the tiles to be inserted. The center is really coming together!

- We are beginning to collect/purchase items for the classrooms. It's so exciting to have "stuff" to put into the rooms! A large order has been made for the cribs, changing tables, cubbies, tables, chairs, etc... LWML will be sponsoring a "Center Shower" this month, please see their announcement, also in this news letter for a full list of ideas. Thank you for your generosity!
